

Commonwealth of Kentucky
Division for Air Quality
EXECUTIVE SUMMARY

DRAFT PERMIT No. F-06-048
REDLINE RACING AND RESTORATION, INC.
1031 BROWN STREET, PADUCAH, KENTUCKY
FROUGH SHERWANI, REVIEWER
SOURCE ID: 021-145-00087
SOURCE AI: 40296
ACTIVITY NUMBER: APE20060001

SOURCE PROCESS DESCRIPTION:

Redline Racing and Restoration, Inc. in Paducah, Kentucky, manufactures fiberglass kiosks for the Dip-N- Dots Company as well as various types of fiberglass automotive bodies.

On April 27, 2006 the source applied to the Division for the renewal of their conditional major permit F-01-017. In addition, the source notified the Division of the removal of the “Car Restoration Operation” from their facility in 2003.

Minor changes were made to the final permit on page number 2 of 18, adding fabric filter at Emission Point 01-Fiberglass Operation, but in no case were any emissions standards, or any monitoring, recordkeeping or reporting requirements relaxed.

PUBLIC, AFFECTED STATE, AND U.S. EPA REVIEW:

The U.S. EPA and affected states (Illinois, Tennessee, and Missouri) were notified of the issuance of the draft permit on October 06, 2006 via e-mail. On October 5, 2006 the public notice on availability of the draft permit and supporting material for comments by persons affected by the plant was published in The Paducah Sun. The public comment period expired 30 days from the date of publication. No comments were received during this period. The permit is now being issued final.
